PRESIDENT'S CORNER

Welcome to all new and returning members.

Please remember that I will not be available from September 23rd to 30th as I will be out of town. While in Boston, I hope to be able to visit a number of quilt shops as Vermont, Maine, Rhode Island and New Hampshire are so close. Please contact another board member if you have a problem. Also, on October 1st I will be working nights from 11:00 p.m. to 7:30 a.m. If you need to contact me during the day please feel free to do so but I will have my ringer turned off on my phone and when I get up I will return calls.

Also, remember that Carol Bryant needs volunteer models for the style show on September 23rd.

A big THANK YOU to Tina Castillo for allowing the phone to be put in her home with the ringer off, Virginia Wright and Michelle Meyers for their work of disposing items not needed and labeling for storage along with planning and packaging everything. Also, a very SPECIAL THANK YOU to Cathy and Barry Wallace who did all the moving themselves as the movers didn't show up.

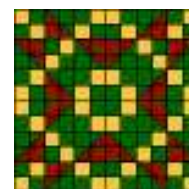

Thank you to all the volunteers who helped moved the quilt house. Thanks to Martha Schmitzinsky for taking the time to contact Trinity United Methodist Church and getting Nadine to meet with the Board about us staying at Trinity United Methodist Church. As it stands now Harvest Fellowship hasn't started the construction on the gymnasium yet so no telling when will be able to get back there.

Now hopefully the weather will cool down and we get some rain and can begin quilting. Also, the Houston Quilt Show is coming up fast and I'm looking

forward to going on Martha Robinson's overnight bus. This will be my 3rd year going and I really enjoy it.

I'm working on quilting some projects and have most of the my tops put together but now I need to work on the remainder of UFO's.

As my time for President winds down I'm looking forward to being able to sit in the audience and quilt while the meeting is going on.

SEPTEMBER MEETING

Ethel Howey and Charlotte Keener read to us while Ruth Felty presented the September program and introduced members to our "STORYBOOK QUILTS" project.

Ruth showed the books used in the project, gave us a capsule summary of the stories and displayed the quilts described in the books or that are related to the story.

Bright Hopes

Now that you have all your garments ready for the style show, how about taking a quilt for Bright Hopes before you really get into the Christmas things. Idea —take one of our Christmas kits and it may help you get into the spirit.

Many thanks to those who helped us pack Bright Hope supplies and make kits on Thursday, 8/17. Kathy Church, Lovetta Fowler, Susan Johnson, Pat McClure, Carolyn Richardson and Carla Schladoer sorted and packed. It's amazing how much time it takes, but it is fun to go through all that fabric. Maybe we'll see you next time.

The Pin Droppers Bee has stuck again — 18 comforters for Bright Hopes. Thanks so much. Can any bee top that????!!!!

We send our congratulations to Jane Hurley who came home from the Tulsa quilt show with an Honorable Mention award for one of her miniatures.

On a sadder note, we offer our condolences to Sandra Matthews on the passing of her husband in early September.

Winter Retreat – 2001!!!

Yes, it's coming and we'll all be up to our ears in preparation, so now is the time to plan to join us for a welcome break after Christmas and pamper yourself. No cooking, no errands - just quilting, quilting, quilting! Doesn't that sound like heaven?

The Winter Retreat will be at Harambe Oaks Ranch in Fischer, TX. on January 19, 20 and 21, 2001. We will be there from Friday afternoon to Sunday afternoon. Your fee includes 6 meals and lodging for two nights. The cost is \$165. A deposit of \$25 will reserve a place for you. If you have questions, call Garnet Szurek at 599-6544 or e-mail to gszurek@msn.com.

TOTE BAG WORKSHOP

Come help complete the tote bags for the Storybook Quilts to Go Project. The zippers are already in so all we have to do is to assemble the eight tote bags. This is also a wonderful chance to learn how easy it is to make a tote bag. Bring your basic sewing tools (pins, scissors, etc.). There are three sewing machines available, but if you want you can bring your own. If you have questions call me, Ruth Felty, at 695-8332.

The Operations Center was a wonderful meeting place for our members and at its closing we want to thank those many volunteers who served as staff members. Only two lasted the full four years and four months: Sherry Allred and Ruth Felty. Amy Cottrell made it four years and most of the others served over a year. Those include: Judy Sanders, Marilyn Bellows, Joyce Efton, Nadine Darby, Charlotte Keener, Virginia Wright, Glenn Rabb, Kitty Janiga, Stephanie Martin and Lois Beauchamp. Many others served during the early years and we thank them all. A special thank you to Ruth and Amy who served as center managers. It would not have been possible without everyone helping. Greater San Antonio Quilt Guild Emergency Board Meeting - August 26, 2000

President Cathy Baisley called an emergency board meeting to order at 8:30 a.m. at the Operations Center. Attendees were: Cathy Baisley, Renee Bradley, Marilyn Bellows, Larry Beauchamp, Ida Tyson, Nadine Darby, Sylvia Jolet. Absent were Kay Allison, Garnette Hanson and Charlotte Keener.

The emergency board meeting was called to discuss the phone as the Secretary, Charlotte Keener found out we would need a place to plug in the phone in order to get CallNotes and keep our same phone number. We discussed the phone situation and we had a volunteer (Tina Castillo) who had a second phone line in their home and didn't mind the phone being plugged into the jack. The phone will not ring in her home. I supplied a cordless phone with the ringer turned off and hooked it up. A motion was made by Nadine Darby to allow the phone to be hooked up in Tina Castillo's home and seconded by Ida Tyson. Motion passed. Charlotte Keener was instructed to have the phone transferred to CallNotes, which would be done on Monday, August 28, 2000.

Meeting adjourned at 8:45 a.m.

QUILTING ON THE INTERNET
Laurie Mangold
Stitch & Sew Quilt Shop

Lauri will bring us up to date on all of the fascinating things that have come along connected with quilting on the Internet.

She will talk about such diverse things as block swaps, fabric swaps, quilt galleries, buying fabrics and supplies and just exchanging quilting ideas on line.

Whether you are online or not you'll find this presentation interesting and informative.

Shooting Shuttles into Stars: A Papercut Applique Pattern

A word from guest Jan Davis:

Many of my friends have asked for a copy of this pattern. Elly Sienkiewicz and I designed this pattern at her Applique Academy in 1996. It is an eight-repeat paper cut pattern. Directions on how to use this pattern can be found in her book, "Papercuts and Plenty."

I made two blocks of this pattern, one for me and one for Elly. These blocks were flown into space in August 1997. Baltimore Album blocks are full of history and symbolism. This one is no different! The space shuttle launch is obvious, but the astronaut logo is also used. This logo has a lot of symbolism in itself, and pin fashioned from this logo has been given to every astronaut since the Mercury astronauts. A silver pin is given to each astronaut after he/she completes the candidacy training, usually one year. The gold pin is given to an astronaut after that astronaut's first flight into space!

You may use and reproduce this pattern as much as you want. The only favor that I ask is that you not make the astronaut logo gold/yellow. In keeping true to the Victorian ladies who made Baltimore Album quilts, the symbolism should reflect the history of our time. Please make the logo out of silver/gray so that the only "gold" ones have flown in space.

Making the logo is a little tricky. I made the three "legs," ring and star of the logo pattern separately (figure A). The ring pattern is pictured alone (figure B) but the logo pattern shows its placement (figure A). The back side of the ring goes behind the legs, and the front side goes on top of the legs. Place the logo between the shuttle cutouts (figure C). See finished block for placement (figure D).
