President's Notes

Welcome new Guild member, Carol Medeiros. She joined the Guild in July, and has already donated a quilt to the auction. Thanks Carol and welcome.

Hope everyone at the August meeting was inspired by the presentation of our Auction partner, Returning Heroes Home. The Warrior and Family Support Center at Ft. Sam Houston is a great place for our injured service members and families to relax and get away from the hospital setting.

Please spread the word to family and neighbors about the Auction on October 6th. Proceeds from the Auction support Guild activities and 15% of the profits will go to help support the Warrior and Family Support Center.

The Guild will be holding elections in November. Being a member of the Guild Board is a two year commitment but it is a great way to meet Guild members and learn how and why the Guild works. Please say yes when a member of the Nominating Committee calls or emails.

Janet Miller, President, GSAQG

Oct. 6, 2012 Auction News

ellenhernandez@hotmail.com, 210-520-1335

I hope everyone was inspired after the August Auction Preview and Warrior & Family Support Center presentation...so inspired...that you will buy your \$25 luncheon ticket and invite your friends. Last time to purchase tickets is at the Sept. Guild meeting, though sales will continue until Oct 1 (by phone or email contact.). We REALLY NEED YOUR HELP to make the auction a success---buy/sell tickets, and turn in gorgeous works.

DEADLINES are approaching! By the time you read this, the Auction will be only 6 weeks away. To make this event a success, we need the following:

1. TURN IN completed quilt kits, and any completed donations, **absolutely by Sept 8th Guild Meeting.**
2. VOLUNTEER for the day of event, Saturday, October 6th, to hang quilts, assist with walking quilts to the stage, and bagging sold items. Contact Barbara Sumlin.
3. BUY LUNCHEON TICKETS - \$25 prepaid. See Linda Ethridge.
4. ADVERTISE - we have beautiful postcards that can be distributed to shops, groups, etc.

2012 Program Notes

September - 9/8/12 Guild Workday - Helping Bright Hopes (Sharon Ross) and QPC (Carol Rouse). Also whatever work Ellen Hernandez might have for Auction. Lunch will be served. Bring your own non-alcoholic drink. Everyone is cordially invited to attend.

9/21-9/22 - 2nd Annual Mini Retreat @ St Andrews Fri from 1pm-10pm and Sat. 8am-6pm. It is full, but we are taking names for a waiting list. BYO non alcoholic drink, the guild will provide coffee both days, pizza on Fri night, and sandwiches on Sat. You can leave your machine there Fri. night! Come and have a fun time with us, and finish some of those UFO's, or work on a project for the guild from Bright Hopes, QPC or Story Books! The first mini retreat was a great success, and this one looks to be a blast as well. See you there!

October - Barbara Sumlin will share what she has learned from her Ethel Howey Grant experience. More info available on pg. 4. Believe it or not, it's time to sign up for the first workshop of 2013! See page 4 for more info.

Storybooks and Quilts to Go

Don't forget to check out the eight quilts and books borrowed by the Forest Hills Public Library on Ingram Road to use in their summer reading program. The exhibition has been extended through September 20th. Librarian Sandra Griffith has asked for seasonal/holiday quilts to display this fall. If you or your bee is interested, please contact me for Sandra's information.

The Storybooks committee is looking for a few volunteers – we've been operating with a skeleton crew for two years and our distribution is growing beyond the capabilities of our helpers. If you'd like to help with distribution, inventory, logbook maintenance, guest reading at schools or any other related activities that come along, please contact me or sign up at a guild meeting.

We are always looking for more opportunities to share the Storybook program. If you have contacts in schools or public facilities where you know the quilts would be used and enjoyed, please let me know at the next meeting. I have brochures describing the program for you to give to teachers and librarians.

Quilt Project Committee (commonly known as QPC)

QPC provides members an opportunity to try new techniques, or practice/improve the ones they already know. We provide kits with instructions, and fabric for blocks utilizing various techniques, both hand and machine work. Stop by my table and I will be happy to help you pick something out!

Golden Carrot Note: be sure to sign your name on the blank side of each ticket you receive! I'd hate to draw a blank ticket or one that I can't read the name. If they are stapled together, remove the staple.

Our plans for the September work day include:

1. Piecing: continuing work on projects from the April work day, such as setting together the Shop Hop Bluebonnet blocks and Asterisk blocks which we prepared sashing for. Strips have been sewn together and will need to be pressed and cut for a border for the Asterisk quilt.
2. Other projects ready to assemble: embroidered blocks, Christmas blocks,,
- 3 Machine applique -- Dresden plates. I'll bring a machine all set up for free motion applique.
4. Hand work: applique the basket quilt (since we are adding baskets and flowers to a top already set together, only one person can work on this at a time).
5. ???who knows what else I'll find????

If you have any of the Kaleidoscope blocks, I need to know what colors you have. I failed to keep a list of the colors and I know we need 5 more blocks which I want to be different. Please call me at 699-9363 or e-mail me at carolquiltscats@yahoo.com.

At the Aug meeting I was asked how many more Christmas Pineapple blocks we need. If we go with a smaller size, we only need 17 of the border blocks (the light pieces on 2 sides are gold instead of white). If anyone has some of those, please let me know.

It is so much fun to watch these quilt grow! Thanks to all of you who try the projects -- and keep coming back for more.

Carol Rouse Chair QPC 210-699-9363 carolquiltscats@yahoo.com

Bright Hopes Quilts and Totes for Charity

We have a work day in September, meaning we get to work on personal or committee projects after the meeting. Bright Hopes is going to make tote kits and off-the-floor blocks. Mike Mitchell has volunteered (perhaps railroaded is a better word, he'd probably appreciate helpers) to coordinate the totes/ tote kits and I'm going to teach the off-the-floor class. Please bring your own sewing machine, scissors, thread, extension cords, rotary cutters, mats, etc. for either project. Bright Hopes will provide foundation and scraps for off-the-floor blocks for Bright Hopes, if you want to make your own blocks of your own scraps please bring your scraps and pre-cut 9" squares of muslin or other light fabric (so it doesn't show thru the scraps) that you want to bury inside a quilt. Off-the-floor scraps are by definition small bits of this and that, mine usually result from any fabric too small to cut out a 4" square. Hope to see you there!
