### President's Letter

July meeting was really a good-members' day!

We honored **Nancy Beasley** with a Calico Rose for her leadership at our summer retreat; good times were had by all. It was especially nice to hear that so many of our newer members went.

116 members were present, 2 visitors, and we welcomed **Mary Catherine Fuchs(Fox) and Mary Harker** as new members. Reports were lively and showed how many good things we are doing.

**Our own members** entertained us with stories of their **UFO's** (unfinished quilts.) Kit Kucinkas won the prize for the oldest project she had begun.

**Quilt AUCTION** is now on our minds --**SEPT.17**--our only fund-raiser this year. We need it to be successful to allow our charity focus to continue. **YOU can help in several ways :**

- **Help finish** the quilts we will show and sell. Many of you have and are doing this; you will stay a little while after next meeting, and you will come to the auction to help and enjoy.
- **Spread the word**--"the details"- to guilds, churches, social media, personal friends, businesses, anywhere there are people who might like to know.
- **Sell some tickets** to this event--to friends and others who want to own pretty quilts. And buy one for yourself.

**Being active in our guild helps** you as well as the guild.... it's a really great way to make your enjoyment of quilting better. Think "Yes" when asked to do a specific task---that, too, helps us all.

See you at the August meeting.

Sincerely, *Ida*

### Ethel Howey Grant

The Ethel Howey Grant was created by the Greater San Antonio Quilt Guild in 2006 to honor founding Guild member, Ethel Howey. The Grant is a monetary award that allows a Guild member to further their quilting skills and share these quilting skills with the Guild.

The deadline for the Ethel Howey Grant is August 1 and is open to any Guild members meeting the guidelines.

If you are applying for the Grant take the time to talk with Guild members, VP for Programs and previous winners to learn what skills/techniques are needed or wanted. Review national teachers the Guild has had in the past year so you don't repeat their teaching.

Please consider applying and giving back to the Guild.

**MISSION**

The Greater San Antonio Quilt Guild (GSAQG) has established a grant program in honor of a loved and esteemed founding member, Ethel Y. Howey, whose accomplishments and influence extended into the international quilt world. The grant is to encourage the pursuit of education in the study of quilt making and to recognize the importance of quilting in today's society as an art form, as an instrument of healing, as part of our legacy, and as a common thread which binds all in friendship.

**PURPOSE**

The purpose of the grant program is to fund projects that will have long term impact on preserving the heritage and further the art of quilt making. The grant may be used to cover expenses such as fees (including conferences, workshops, etc.), travel, lodging, meals, materials and books. The grant(s) will be awarded annually, not to exceed \$1000. The Grant Committee may divide the monies between more than one recipient. The GSAQG is not obligated to award the entire \$1,000 or any part thereof, if the quality of the proposals does not merit it.

**ELIGIBILITY**

- Applicant must be an active GSAQG member in good standing for the previous **two (2) years** immediately preceding the grant deadline.
- An applicant must show evidence of an interest in continuing to improve and innovate in the field of quilt design, construction, history or technique.
- Financial need will NOT be a criteria for selection.
- Grant recipients are ineligible to reapply for grants for three years. Grant committee members are ineligible for grants while serving on the committee.

**PROCEDURES AND DEADLINES**

- Applications must be submitted **on or before August 1** (current year), and the grant will be awarded at the following January Guild meeting.
- If the recipient fails to fulfill the requirements or is unable to attend the proposed project or program, the grant money must be returned within **three (3) months** of the cancellation, or on a time-line agreed to by the committee and the applicant. If an alternate applicant is available, the money may be transferred to the alternate with approval of the committee.
- Recipients must be willing and able to share with GSAQG the new skills, techniques, or information gained. This may be in the form of a presentation, a workshop or other process that disseminates the information to the members in **the year following receipt of the grant**. Scheduling must be coordinated with the 1st Vice President for Programs.
- If a workshop or program is being presented, **at a minimum of (3) three months before** the scheduled Guild workshop or program, a lesson plan and class sample will be presented to the Ethel Howey Chairperson, the 1st Vice President for Programs and one Guild member-at-large.
- Recipient must submit, in writing, a final report of the project and expenses **by March 1** of the year following receipt of the grant.

**GSAQG ETHEL Y. HOWEY GRANT PROGRAM APPLICATION PROCESS**

Following the stated time line, submit a typed or hand written application, not to exceed two (2) pages. Include the date, your name, address, phone numbers, email, number of years a GSAQG member, and explain:

1. Why you would like to receive this grant
2. How you will use the grant funds, including a specific budget
3. How you will share your new skills, techniques and information with the membership.

Feel free to provide any additional information that will help the selection committee.

## Guild Auction - All Hands on Deck!

**Thanks** to the hard work of some *very talented* quilters the auction looks to be coming along nicely. At the moment there are 72 items with more promised. Woo-hoo!

**Now** the crunch begins and the committee needs all the help we can get. Are you game? If so, plan on staying after the August meeting to put in some time. We'd like to have two display stands set up in order to get good photos for the program and website. Measurements must be taken and a check for labels made. That will need about four people for each stand. As the quilts come off, they will need to be folded with the pattern out. That way the committee will be able to decide what order they should be placed in the program. This might take another four to six helpers. At the end, all the quilts will need to be bagged for transport. Maybe another four volunteers? So if a dozen or so members will help it should all be done in no time.

No lunch break per se but bring a drink and a snack to tide you over. There will be a prize drawing, too, so please join in

## 7<sup>th</sup> Annual Hopes and Dreams Quilt Challenge for ALS presented by Quilters Dream Batting & J.N. Harper Co.

You are invited to donate a quilt to warm the lives and hearts of ALS patients while raising awareness and research money for ALS, Lou Gehrig's disease, plus have a chance to win fabulous prizes!

Details and entry form are available at [www.hopesanddreams.quiltersdreambatting.com](http://www.hopesanddreams.quiltersdreambatting.com).

## Nominations are now Open.

Please consider running for a board office. This year the openings are for President, 2nd Vice President for Information, 4th Vice President for Services, 5th Vice President for Community Outreach, and Secretary. Also consider chairing a committee or being on a committee. The Bright Hopes committee needs a new chair and members.

8. 16 Pieces of the Past, 76: Thread Winders, by Ellen Hernandez

Thread was once sold in skeins like today’s embroidery floss. Seamstresses found it helpful to wind the thread onto a flat shape where it could be secured and easily transported and referred to while working. The invention of thread winders made them quite popular in the 18<sup>th</sup> and 19<sup>th</sup> centuries. Many were of simple design and material. Some were elaborately carved and cleverly created. Smaller winders were used for silk and thin threads, and larger ones held heavier weight threads. Often they were part of sewing kit stored in decorated boxes.

Winders were made of silver, bone, mother of pearl, porcelain, cardstock, tortoise shell, abalone, glass, marble, jade, ivory, and wood. (See an example of each type below.) Today these winders are quite collectible.

The French company, Sajou, sold their linen thread already wound onto beautiful thread cards. The company is still in business and sells a line of vintage-styled cards online. Some use the cards as bobbins to hold a variety of colored yarns for intarsia knitting.
