Sponsorship Opportunities

Dear Merchant,
First and foremost, I want to thank you for your participation in our upcoming show. As a valued partner, we would like to offer you an opportunity to be one of our advertised Sponsors. We are proud to acknowledge the excellence in quilting and the level of talent we attract to our quilt show. Sponsorship brings recognition and rewards to businesses that support a higher level of participation in our quilt show, encourages talented quilters to contribute entries, and increases show attendance.

Attached you will find the details of various sponsorship levels available for you to choose from. We encourage you to select one that best serves your business needs and further compliments the creative efforts of the many quilters entering our quilt show. In return for your sponsorship, we are offering (based on level of sponsorship):

- Priority on booth location preference
- Discount for show program AD
- Logo on gallery card for prize winning quilt(s), announcing your sponsorship and award
- Recognition of your sponsorship on your booth signage
- Option to present cash prize award to winner during the award ceremony
- Logo and website advertised on our guild website until January 2028

We appreciate your consideration, at any level, in which you choose to participate. If you have ideas for more involvement as a Sponsor, such as tangible prizes, goods, or other items, I am happy to discuss potential options. Please reach out to me or Emily if you have any questions. I look forward to working with you!

Sincerely,
