

Sunbonnet Sue block challenge

Make a 12" finished block of Sunbonnet Sue for the Quilt Projects Committee. So unfinished, you should turn in a block that is 12 ½" square.

This is open-ended, so please express your creativity! In years past, there have been books on Sues doing all sorts of activities. There are a lot of Sues on Pinterest to inspire you.

There is a file containing pieces for Sunbonnet Sue based upon the Accuquilt die, but you can use any pattern you wish. The pieces in the file do not have any seam allowances added.

Think of things you can envision a person doing – then create a Sue block doing that!

Things I can think of, that you might use—

- Sue as the Mary in Mary had a little lamb
- Sue walking her dog
- Sue driving a convertible
- Sue riding a horse
- Sue in a hot air balloon
- Sue in her garden
- Sue as Little Miss Muffet
- Cowgirl Sue
- Sue being a tourist at your favorite location – St Louis Arch, Galveston Beach, Carlsbad Caverns.....

Have fun and make a block!
