December 2000

## President's Corner

Happy Thanksgiving. Welcome new and returning members.

Congratulations to the new Board of Directors. The Board of Directors will meet on Monday, December 4, 2000 at Ryan's on Bandera Rd at 7:00 p.m. This is outside the loop (past Huebner and before Eckert). Please let me know if someone has another location for the meeting.

This is my last column in the newsletter. During my two years as President it has been a learning experience. Thank you to everyone who helped me get through the two years. The last few months have been fairly hectic with working nights and having board meetings and after getting off work on Saturday morning going and doing the meeting. I will still be involved in the guild and attend most meetings when I'm not real tired.

Well I went to the Houston Quilt Show on the overnight bus with Martha Robinson with my broken foot. I got off of crutches on October 31st and had a walking cast on. Everyone on the bus didn't know how I was going to get around but I did. I didn't get a scooter or wheel chair but walked both days on the cast. I took several breaks but had no major problems. Nothing stops a quilter whose looking forward to going to the once a year show. I go back at the end of the month and hopefully the cast comes off permanently.

I've just purchased a new Designer I machine and it has a lot of features I will be learning how to use. I'm going to learn how to embroider different items and also be able to do a lot more quilting on this machine as some of the stitches are built in. I may even try to

sew some wearables and decorate them. I wish I had this machine sooner as I could have sewn with my broken foot because you don't have to use the presser foot. I had a hard time sewing because I usually use my right foot to control the presser foot and I had to use the left foot, which was hard to try to control. You don't realize things until you can't use them.

Hope to see everyone at future guild meetings.

## SECRET PAL PARTY

The annual Secret Pal Christmas gift exchange and "breakfast" will be held on Saturday, December 9 at 9:00 am.

You'll find out who has been giving you the goodies all year and have the opportunity to sign up for another twelve months of surprises!

Coffee and paper products will be provided. Bring light refreshments if you wish. Set-up begins at 8:15 for those who wish to help.

It has been suggested that participants donate \$1 to help defray expenses with any surplus applied to the purchase of the Guild's next birthday cake.

If you have questions or suggestions please contact Elaine Staller at 822-8336.

## FROM THE LIBRARIANS

It's time again for the Library to inventory, so make sure you bring everything you

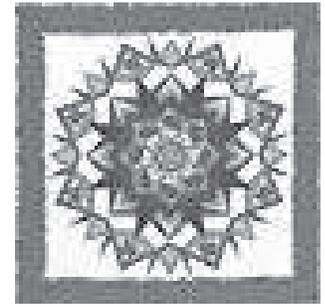

have checked out to the Dec. meeting. And please double check your shelves for books magazines, videos, and patterns that have decided to stray from home! Some of these items just do not want to return on their own and have to be caught and trucked back. Also my email has changed, it's now **aagarita@flash.net**. If you can not make it to the meeting and have anything checked out, call or email me so we can make arrangements to meet and I can pick it up. January will start some new procedures for the Library, we have not worked out all the bugs yet, but it should smooth check out and check in. I'll keep you posted. It should be a good year, I'm getting a new computer and will be able to catch up on the catalogue list. We are also looking for someone to Chair the Video section, as I am unable to do justice to both sections. And we also need help getting these items to the meetings. I was unable to make it in September. so we had to close the library and I was also unable to make it to the November meeting so Carol had to lug EVERYTHING. She is a good person!

## AUCTION BOUTIQUE

I hope that you have started on your own items for the Boutique, if that's your plan.

Remember, keep items "fiber" related, ie. sewing, quilting, beading, etc. This would eliminate such things as silk flower wreaths, woodwork, etc. that may be considered crafts but are not "fiber" related. If you have questions, give me a call.

Also, if you have pieces of silk, satin, lace, or other "fancy" materials you would be willing to donate, I would like to put together some crazy quilt packages to sell.

Clothing your no longer wear could be used as well.  
Thanks - Kitty Janiga - 622-9522

A GOOD TIME WAS HAD BY ALL!!!!

These participants in Ami Simms' Saturday workshop went home with more tricks and easier ways to do Invisible Applique.

Another large group spent Friday learning about Ami's String Quilting techniques and we'll undoubtedly be seeing the results of their work soon at Bring and Brag.

And over 100 members enjoyed Ami's interesting and inspiring presentation of her new "Picture Play Quilts" at the Saturday meeting.

If you were one of them, or if you missed the meeting and want information, you can get it at [www.PicturePlayQuilts.com](http://www.PicturePlayQuilts.com).
