

President's Corner

Welcome all new and returning members.

I hope everyone enjoyed Virginia Walton's program and seminars. I really enjoyed the Log Cabin Stars seminar as I learned how to sew curves without pinning. Hopefully, by next meeting I will have my top put together and bring it in for Bring n' Brag. This will depend on my time I have available since I will be starting a new job on July 11th.

Many thanks to Kay Allison who hosted Virginia Walton.

Thank you to the Snappy Scrap-

pers Bee for donating their \$100 prize from the Auction contest back to the guild.

I have completed all my UFO's into tops and have sent some out to be quilted. I'll keep some to hand quilt.

Our next project is the Style Show in September. Please contact Carol Bryant, (210) 479-8611 if you would like to go, be a volunteer or even a model.

Operations Center to Close

A motion to close the Ops Center in Helotes by August 31, 2000, and to dispose of any property which we cannot store at that time, passed with an overwhelming majority at the July meeting.

At our August meeting we will have a proposal as to how we will handle the storage of our property. There are several options we are exploring. I will report our findings at the August meeting as to what we feel the best procedure will be.

Some members have items at the Ops Center "on permanent loan". Rather than have these items go into storage or to be disposed of, the owners may wish to get them back. If you are one of these people, please make arrangements to get your possessions before the end of August. We will determine how much property we can store and what the best way to dispose of

the excess might be.

Also, we will present the procedures for moving our property. Definitely, we will need people to help pack and boxes to pack things in. If you can volunteer the use of a truck, husband, son, or otherwise strong person, to help with the moving, please let us know.

Thank you all for your support! You've been marvelous and encouraging in the face of a difficult decision. I appreciate everyone's questions and input to help solve our financial dilemma. Together, we will continue to grow!!

The Ops Center Committee: Cathy Wallace (698-0269), Doris Patterson (656-0334), Alaine Perry (695-4422), Charlotte Keener (490-2312), Carol Rouse (699-9363), Mary Ruth Flores (694-6059), Karen Nanos (558-9166).

GSAQG JULY GENERAL MEETING MINUTES

Board Members Present: Marilyn Bellows, Nadine Darby, Charlotte Keener, Sylvia Jolet, Larry Beauchamp, Renee Bradley, Garnette Hanson, Cathy Baisley, and Kay Allison.

President Cathy Baisley called the meeting to order at 10:00 a.m. at the Trinity M.E. Church Hall. She welcomed all the members and our guests. She then introduced, Virginia Walton as our program for the day.

Secretary, Charlotte Keener, read the minutes of the May meeting. They were approved as read. Garnette Hanson, Treasurer, said her report was not complete. We had an income of \$9,535.10 and expenses of \$3,719.22. Balances in Jefferson Bank are: \$12,571.47 and in savings \$26,895.65.

Cathy read a letter asking for quilters at the Witte Museum on July 15, 2000.

Renee Bradley announced that the OP's Center WILL be open on Fridays from 9:00a.m to 12:30 p.m. The OP's Center will be closed this coming week due to Quilt Retreat. They will be oiling the driveway this week so be aware of that fact.

Marilyn Bellows Called for the following Committee Reports.

- Loveta Fowler—Quilt Show 2001
- Carol Bryant—Fashion Show

Marilyn reported the Auction made a net profit of \$7,238.50. The Snappy Scrappers Bee won the Pre-Auction challenge voted on by the membership at the May meeting. They donated the \$100.00 back to the Guild and were given a round of applause.

Larry reported he is temporary Editor of the Newsletter and we are still in need of a permanent Editor.

Nadine presented a quilt that was partially quilted and asked for volunteers to finish it. Thanks to

those who volunteered.

Larry announced the programs for today and the upcoming months.

UNFINISHED BUSINESS:

Cathy Wallace reported on the OP's Centers Committee findings. She moved to close the present OP's Center and move out, either storing our items or finding a new, less expensive location. It was seconded and discussed. Amy Cottrell moved that this decision be tabled until all the choices could be published in the Newsletter and all the membership vote on it. It was seconded, discussed and voted on. The motion did NOT pass. there was more discussion on Cathy's original motion. It was voted on and passed. We will vacate the present location of the OP's Center by August 31, 2000. The Secretary will send a letter to the present landlord stating this fact.

Amy Cottrell stated that an article in the Newsletter concerning the location of the General Meeting was against the Bylaws and was not necessary. This concerned the vote to remain at the present location, Trinity M.E. Church Hall. Much discussion followed.

NEW BUSINESS;

Cathy stated the need for a nominating committee for next years officers.

Larry nominated Sylvia Jolet. She was approved and accepted. Nadine Darby, Virginia Wright and Kitty Janiga volunteered to serve on that committee. Many thanks to those that volunteered.

No further business.

August Program

Our August programs will be our annual Mini-Demo program. During this program we will set up work stations for each of the demonstrators and our members will choose one at which to start. Then every fifteen minutes we will signal for you to change demos. In an hour and a half you will have the opportunity to

Applique like a champion!

see five different skill demonstrations this year.

And the demos are great! You will see skills of value both to the beginning and the more experienced quilter. Five of our most skillful members will be presenting the demonstrations.

LECTURE AND WORKSHOPS

LECTURE - NOVEMBER GUILD - NOVEMBER 11

PHOTO QUILTING

Explore one-of-a-kind quilts made with photographs and other images that have been transferred to fabric in this one-hour slide presentation. Two styles of quilts are presented: scrapbook quilts which can accommodate any number of photo-transfers in just about any size, and quilts made with traditional blocks featuring one photo-transfer per block. Discussions include how to select photographs, copyright considerations, how to make transfers with transfer paper, and construction hints. Quilts featured are from *Creating Scrapbook Quilts* and *Fun Photo-Quilts & Crafts*, both by Ami Simms. A demonstration of Photos-To-Fabric™ transfer paper is included if time and space permits.

WORKSHOP

FRIDAY-NOVEMBER 10

STRING QUILTING - \$35

Experiment with a technique quilters used years ago to make good use of every scrap they had on hand. You won't work quite as hard as they did and you'll come up with a terrific quilt top in a fraction of the time thanks to speed cutting and piecing techniques. Working with traditional block patterns, your quilt top will blend patches made from "stringed" fabric (narrow strips of fabric sewn together to make "new" fabric) with solid patches of either muslin or black. This is a great workshop for fabric you've already got on hand, no matter what color. Muslin and/or black cotton will be available in class. Bring quarter- or third- or half- yard pieces of pre-washed 100% cotton quilting weight fabric from your stash, color coordinated only if you wish. Variety is more important than quantity

PRESIDENT'S CORNER

(Continued from p 1)

Well July is flying by fast and I'm looking forward to my trip to upstate New York. Hopefully this year the falls will be flowing and it will be green. The only thing I have to remember is the speed limit where I'm going is mainly 45 mph as it is 2 lane country roads. I'm also hoping to visit 2 quilt shops in the area while there. I will be unavailable from July 27 to July 31st, so, if you should have a problem please contact another board member. If it is no rush you can leave a message on my answering machine or send an e-mail to cbaisley@hotsheet.com. I will check my e-mail once or twice while I'm in New York depending on computer availability. (I'll probably use my niece's computer).

I'll see you next month at the meeting and let you know about my trip and visits to quilt shops.

Wanted Models

Clothing optional!

Did that get your attention?

You don't have to enter a garment in the fashion show to be one of our models. You may model your own entry, but you could also help us out by modeling entries for persons who'd rather enjoy the show from the audience. We'll probably have one meeting to match models with garments, then the **BIG EVENT** on September 23, 2000.

The job requirements are:

- A ready smile
- A good disposition.

The salary is zero, but the benefits are great:

- You'll have a great time.
- We'll all tell you how good you look!

Please let Cathy Wallace know if you're interested at 698-0269.
