Winding Down

Statistics proved it! We survived the hottest August in history. I am sure that all of us are looking forward to cool fall breezes and the Houston Festival to rejuvenate our creative spirit.

At the August meeting you approved bylaw changes, one of which affects the time line on budget approval. This year for the first time, our November annual meeting will include approval of the 2007 budget as well as election of officers and board members. If you are a committee chair and have not turned in a budget request to your board representative, you should do that TODAY! One major bylaw change requires board approval of the budget in October so that it can be published in the November newsletter.

There will be no business meeting in December, which presents a rare opportunity for lots of socializing, fun and renewal of friendships.

Before we realize, 2006 will be over. We are winding down but only briefly. September 2007 brings our biannual quilt show. Have you volunteered for a job?

Our September Style Show was a great success and we want to thank all who helped make it possible.

Happy Quilting!
Ruth

Calico Rose Award

The Rose is awarded to Shirley Carter for all her work on the Tuesday Quilt-In.

Sunshine and Shadows

Does anyone who knew Pat Boyd know where she moved after she left San Antonio. I believe it was to the cold north where a daughter was living. Please email me at qorg@aol.com if you can remember the location. Pat was the quilter who got ill at the Houston Quilt Show and was left behind in the hospital when the bus returned.

Congratulations to Joanne Rich. "I just thought that I would let you know that I am a Grandmother!! Victoria Joanne Slate, known as Tori Ann was born on Aug 7th. She weighed in at 5 lbs 11 oz and was 18 1/2 inches long. We will close on our house here on Sept 15 and move immediately to be near her. If we are going to be grandparents we are going to act like grandparents.

Carol Bryant is moving to Albuquerque, New Mexico in late August. She will be working with the AABC affiliate. Carol has been involved in our fashion shows. Linda Sides reported.

On Tuesday, September 12, Barbara Sumlin will be going in for rotator cuff surgery. Should be home the same day. Our best wishes to Barbara for a speedy recovery.

Donna Christophel's surgery was a success. The disk repair of c5 thru c7 was done on Wednesday the 6th (September) and she came home on the 9th. Outside of a sore throat, Donna reports feeling great. Good luck to Donna on her continued path of recovery.

Lastly Amy and Fred Cottrell's house sold on September 5 and closed on the 21st. At this moment they are negotiating on a house in Rowlett and will hopefully move the first week in October (lease back on their old house). I will give my new address when it is finalized. EMAIL will remain the same.

The board has agreed for me to continue SUNSHINE AND SHADOWS so keep those items coming. REMEMBER: WE DO PUBLISH SUNSHINES, TOO.

Tips & Hints

by Holly Nelson

- ◆ An empty fabric bolt makes a handy portable ironing board. All you need to do is wrap it in a thick towel, pin and take it to your next workshop. Most retailers will give these to you at no charge.
- ◆ For your next rag quilt, try using three layers of flannel for a full appearance without the heavy weight you get with batting. The middle flannel can be an accent color for added interest.
- ◆ Use tracing paper for paper piecing. It is much easier to see through and tear away than freezer or typing paper.
- ◆ Use small pieces of left over batt for dusting. It's not just good for using around your sewing machine, but you can use it all over the house. Cut the batt to fit your Swiffer and the batt picks up dust and holds on to it.

COMMUNITY OUTREACH UPDATE

Fall at the Alamo

On Saturday October 14th, 2006, Daughters of the Republic of Texas will bring historians to the Alamo to demonstrate the daily lives of people of San Antonio during the period from 1835-1846. Among the demonstrators will be none other than members of our guild's Fall at the Alamo committee. Donning historically authentic costumes, they will trek downtown to the Alamo at the crack of dawn to set up their quilt displays and large quilt frame in time to greet the public immediately following the opening ceremony. For the remainder of the day, until 5:00 P.M. to be precise, they will share their knowledge of Texas quilt history as well as their quilting expertise with the public, including many visitors to our city from out of state. If you would like to join this group and experience a larger than life sense of Texas history, give Mary Ruth Flores, chair of the Fall at the Alamo committee a call. She will fill you in on all the details, such as how you can help represent our guild at this unique event.

Frost Bank Exhibit

Two new quilts made by our members are now on display at local Frost Banks through December. If you're in the neighborhood of either of these banks, stop in and admire the creativity of Noi Springer and Karen Nanos.

"A Touch of Hawaii", a quilt highlighting twelve red and blue Hawaiian blocks hand appliquéd and donated to our guild by Noi Springer, is on display at the North Frost located at Loop 410 and Nacogdoches. What makes this quilt very special is that many of our members were involved in completing it for this year's auction. For starters, Ruth Felty set Noi's blocks and added the borders to the quilt top. And then the Institute of Texan Cultures Quilters hand quilted it. If you missed the auction and did not see this quilt, do stop by and see it at the bank. No doubt its breathtaking beauty will lift your spirits high.

"Pumpkin Quilt" radiates fall colors and will make you think of the holidays and time spent with family and friends. It may even make your mouth water as you remember Thanksgiving

dinners past. Can you smell the turkey roasting and the pumpkin, pecan, and apple pies baking in the oven? Mmmmm... and can you taste the cornbread dressing, Waldorf salad and cranberry relish? If you want to get in the mood for the holidays, stop by Citizens Bank at Fredericksburg Road and Loop 410 where Karen's quilt is on display through the holidays.

Busy Month for Storybooks and Quilts to Go Committee

August was another busy month for the storybook committee. Mary Mc Carthy, Sandra Retzloff, Rebecca Levy, and Barbara Gilstad had a workday at the Cat's Meow Quilt Shop to make tote bags for all of the new quilts that were made this summer. What a great place to meet! And with the help of Larry and Lois Beauchamp, the committee also presented a program based on the storybook project at the University United Methodist Quilt Guild's August meeting.

And then at the September guild meeting, a new storybook and quilt was added to the Storybook and Quilts collection. Ellen Hernandez made an adorable quilt to complement Mem Fox's children's book, Sleepy Bears. In this story, Mother Bear finds a way to convince her sleepy bear cubs to go to bed. You may wonder what her way is and what in the world it had to do with quilts and quilting. So why not stop by the storybook table at the next guild meeting to look at the book and to see Ellen's precious quilt. After you scan the story and see the quilt, you are

going to feel like dashing off to the nearest bookstore to purchase Sleepy Bears and make a quilt for someone special in your family, a friend, or even a teacher at your neighborhood school, church, or day care center. Thank you for telling us about this book, Ellen, and for making a storybook quilt.

Special Note to Chairpersons of Community Outreach Committees: If you have any information you would like included in next month's **Community Outreach Update**, please contact Barbara Gilstad bgilstad@sbcglobal.net.
