What a great time Saturday at our 2nd annual Membership Appreciation Day. Who knew Lucille Shean is 93 years young, Bobbie Ashley was the youngest member at the meeting, a frisky 41 years. An honor to have two of our charter members sharing their memories (GSAQG was formally organized on May 3, 1980).

The Guild needs a few good women or men to step up and help Charlotte Keener on the Nominating Committee. Up for election this year are the President Pro Tem, 1st Vice President for Special Events, 3rd Vice President for Programs and Treasurer. Please consider offering to fill one of these positions, it is a great way to get to know guild members and be more involved in your quilting organization.

In the Summer 2009 Quilting Quarterly an article, A Judge's Perspective, had a photo of our 2007 raffle quilt, A San Antonio Fiesta, and a short comment about the quilt. The author wrote, "A San Antonio Fiesta by the San Antonio Quilt Guild (NQA Chapter-TX857), San Antonio, Texas. This ambitious raffle quilt was designed by Barbara Hodge and longarm quilted by Bernie Farris. The members of the San Antonio Quilt Guild made the quilt for their 2007 show and then entered in the 2007 NQA show where it won a 1st place ribbon in the Chapter Row category. The quilt celebrates Fiesta, an annual city-wide event. It is an ambitious project for a group quilt and the planning and care that went into the making of the quilt is obvious even to a casual observer."

A feather in our cap and thanks to everyone who worked on the Fiesta quilt.

GSAQG President

Program Notes

2009 Program Schedule

- August 7 – Hand Applique Workshop – Darlene Christopherson
 August 8 – Lecture & Hand Quilting workshop – Darlene Christopherson
 Sept 12 – White Glove Contest & White Glove Preview
 Oct 10 – Mini-demos
 Nov 14 – Quilt Shop
 Dec 12 – Holiday Party

August: There is still room in the Darlene Christopherson workshops. Friday, Aug 7, we will be having a full day class on **Hand Needle Turn Appliqué**; \$25.00; \$8.00 kit available from Darlene. Saturday, Aug 8, after the meeting we will have a half day class on **Hand Quilting**; \$15.00. You can contact me by phone at 210-213-4360 or email at ncdquilter@yahoo.com if you are interested in the classes.

September: White Glove Contest and Preview. At the August meeting, we will have pairs of 'white gloves' available for purchase at

\$2.00 per pair. The contest is to decorate the gloves using beads, sequins, paints, embroidery, embellishments, your own creativity. The gloves will be judged by members and guest present. A cash prize will be given for member's favorite pairs – 1st, 2nd and 3rd place.

White gloves are used by volunteers at quilt shows and museums to show and display detail on the quilt show entries or exhibits. The gloves help to protect the quilts from being soiled or damaged from repeated handling.

The program this Saturday will also include a trunk show of our own guild members quilt show entries. If you have quilts that have been in shows and would allow us to use them as a part of the trunk show, please contact me by phone at 210-213-4360 or email at ncdquilter@yahoo.com. I would be interested in having past winners, viewers choice, and challenge winners for quilts (of all sizes) and wearables. I will need to have your quilt information including a brief description of name, show, year, etc by September 1, 2009 so I can organize the program.

October: We will be having mini-demos. Please contact me if you have an idea or would like to present a demo. The demo should last about 15 minutes and be related to a quilting skill or technique. You can reach me by phone at 210-213-4360 or email at ncdquilter@yahoo.com.

Thanks again to everyone that completed a survey last month. I will consider your suggestions as I plan the program schedule for 2010.

Originally from Del Rio, TX, she was also a member of the NQA, Alamo Stars and several bees. Eleanor made quilts for family, charities, and friends for the joy of giving something to someone who appreciated quilts. One of her last projects was a crazy quilt made for a nephew in 2008.

Volunteers Still Needed!!

September is approaching like a freight train. It will be here before we know it. We still need additional volunteers for the San Antonio Quilt Show (September 18, 19, and 20) to make it successful. We also need help on Tuesday September 15, to hang all of the quilts. Check your schedules and come by the Quilt Show table at the August or September Guild meeting. There are all sorts of jobs to sign up for. If you prefer, call me at 688-9578 and we can add **you** to the list of volunteers.

Thanks,

Quilt Projects Committee News

1. Do you have?

a. If you graciously took home a project after the Guild Work Day in April, such as Log Cabin, Shop Hop bluebonnet Challenge blocks with a star sashing, or squares for the border of the Boston Commons quilt – please call me with a status report – 699-9363. (We want to put the Boston Commons in a frame to quilt at the show – if we get that outside border added.)

b. Are there any “Sticks ‘n Stones” kits still out there?

2. QPC Challenge: Quilters’ Library

If you wrote your autobiography, what would you put on the cover? What would the title be? What would make your friends or family think of you?

- a favorite quilt block - a favorite technique or style, i.e., appliqué, pieced, embroidered, other - a favorite color - do you tend to use the same colors? - a quilt block with a name that means something to/about you – i.e., Crazy Anne (just joking)

Use any technique — pieced, applique, embroidered, painted, embellished, etc.

Include your first name on either the cover or spine (stitched, written with permanent ink, painted)

A Title for your book is optional

Back cover may have a design or be left blank

Background will be black and pages will be white. (You provide the fabrics for the cover and spine in whatever colors you want.)

(Sort of what the block looks like.)

The block is one by Georgia Bonesteel. It is an open book standing on end with the front and back covers facing. The kit will have the pattern, fabric for the border and book pages. Also we'll include some ways to change a square design to a diamond.

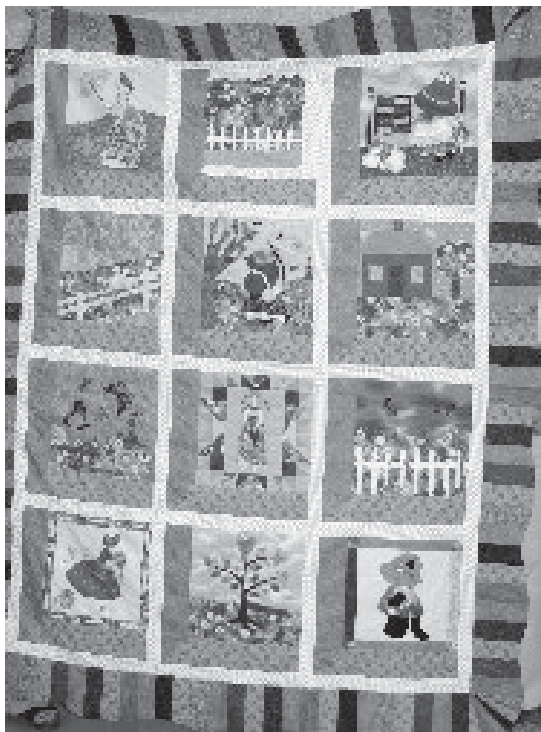

Deadline: turn in blocks by or at the February 2010 meeting. Voting will occur at the March 2010 meeting.

Cost: \$1.50 — to be used for prizes.

3. The kits for many of our projects have been checked out. We are working on new projects, but with just two of us it will take awhile. If you can cut or would like to plan a project, let me know. We've received some great fabric donations to work with.

4. Don't forget to check our table at each meeting!

GREATER SAN ANTONIO QUILT GUILD, INC. ETHEL Y. HOWEY GRANT PROGRAM

MISSION

The Greater San Antonio Quilt Guild has established a grant program in honor of a loved and esteemed founding member, Ethel Y. Howey, whose accomplishments and influence extended into the international quilt world. The grant is to encourage the pursuit of education in the study of quilt making and to recognize the importance of quilting in today's society as an art form, as an instrument of healing, as part of our legacy, and as a common thread which binds all in friendship.

PURPOSE

The purpose of the grant program is to fund projects that will have long term impact on preserving the heritage and further the art of quilt making. The grant may be used to cover expenses such as fees (including conferences, workshops, etc.), travel, lodging, meals, materials and books. The grant(s) will be awarded annually, not to exceed \$1000.

Tips

Have trouble figuring out how much you can get from a piece of fabric in the sizes you need? Use these handy calculators.

<http://www.blockcentral.com/calculators.shtml>

When making quilts for children (or friends) add a secret pocket with a little love note in it...only you and the recipient will know where it is if you disguise it well. This is lovely for grandchildren, you can add a new note each time you visit them.

Use hand quilting thread for turning your bindings. It is made for the repeated trips through the fabric and doesn't seem to fray, knot or break the way other threads do.

When paper piecing, use sharp pointed tweezers to remove the paper when all is finished.

After washing your fabric, use a liquid starch to press. It gives the fabric that new feeling we all like. Mix 1 part liquid starch to 3 parts water. A 32oz. Bottle (under \$2.00) equals 10 aerosol cans (about \$2.00 a can.) When mixed in a spray bottle there's no clogging. It doesn't flake on the fabric. And rotary cutting goes much smoother

Take a "hunk" of leftover batting and pin it over your shoulder when sewing. Then, as you snip off those threads. tiny fabric nips, etc. etc., you just put them on top of the batting where they cling very well. After your sewing session is complete. you simply unpin the batting from your shoulder and toss it all neatly away.. It puts an end to all those little thread nips. fabric snips, etc all over the sewing room floor, as well as the table top.

Editor's note. I always seem to have some empty space in the newsletter. I am happy for submissions from members for any type of useful fillers. Amy Cottrell sent the article about free patterns on the Web in the July issue. Sylvia Budraitis sent the chart about 5" squares in the June issue. If you have any interesting quilt related information send it to me at quiltnews@satx.rr.com. I will be very grateful.

August 2009 Block Party

How many orphan blocks do you have? Let's keep them between 4" and 12" finished in size. Bring all your orphan blocks that fit in those parameters and we can have multiple winners. We will try to separate according to colors. This is your big chance to clear that studio of all those really cool blocks you tried but didn't want to do a whole quilt of them.

Bring as many as you like with your name attached to each one to the August Guild meeting. All names go in the basket and the lucky winner in the drawing gets

Please note change in size.
