President's Notes

I took the Guild's workshop, Grandmother's Flower Garden, last Friday. Sitting around a table with seven Guild members, hand piecing hexagons, talk flowing from one topic to the next was fun and relaxing.

My first quilt teacher, Lorna Eichling, taught only hand piecing. Enjoyed go back to my quilting roots and using those hand piecing techniques. Machines get things done faster but I'm calmed by the needle in hand.

Our new program chair, Mary McCarthy, has great workshops lined up for February and March. One of the biggest benefits to Guild membership are the workshops available to us at low cost. Know the saying, "Use it or lose it", don't want to lose the workshops but we need more than seven members in a class.

In May the Guild will celebrate it's 30th anniversary. We will be inviting the founding members, and honoring all the Calico Rose winners from past years. Will bring the scrap-books from the storage unit, oh, how fashions, fabrics and our waists have changed. Fun to look thru and remember when.....

Program Notes

2010 Program Schedule

February Workshop with

Carol Morrissey

"Designing patterns, teaching classes at Quilt Country in Lewisville, Texas, and dyeing fabrics are some of my favorite things to do. I am a member of The Quilter's Guild of Dallas and the Denton Quilt Guild. I belong to several quilting groups, including The Twisted Stitchers, a group that is interested in quilting in all its forms. Gardening, photography and travel are some of my other interests. My husband, Mike, and I live in Double Oak, Texas, just north of Dallas, where I was born. We have four children, six grandchildren, two rotten dogs, lots of goldfish and koi and the occasional frog, toad, snake and lizard.

My website is www.ocaroldesigns.com"

Thread Painting with Carol Morrissey

Friday 12 February 9:00-4:00pm \$25

You will love the results of this remarkably simple method. Lots of fun and a great way to gain confidence with your free-motion stitching. Your class project will begin with a photo of bluebonnets printed on fabric. There will be a

\$5 teacher's supply fee.

Machine Quilting with Carol Morrissey

Saturday 13 February 1:00-4:00pm \$15

Yes, you can quilt on your standard-sized sewing machine. We'll begin with the basic information you'll need to get started—needles, threads, machine feet, machine tension. After you gain confidence by quilting straight lines, you will learn how to overcome the fear of free-motion quilting.

Sign up for these classes by contacting Mary McCarthy at (210) 679-8464 or, by email, nimblethimble@gmail.com

March Workshop with Robbi Joy Eklow

Robbi Joy Eklow has an Engineering degree from Purdue University in Lafayette, Indiana. In college she married her husband Brian, they have two children. Robbi lectures and teaches internationally, and has shown quilts and won ribbons in major quilt shows across the United States. She writes a bi-monthly column "Goddess of the Last Minute" for Quilting Arts Magazine. She has designed quilts and written articles for many quilting publications. Her first book is *Free Expression: The Art and Confessions of a Contemporary Quilter*.

"I enjoy working with fiber and use it as a way to introduce myself to people. I make art quilts from cotton fabrics that I dye myself, use bonded applique and free motion quilt extensively on the surface. I enjoy lecturing and teaching in order to share the techniques I'm using and to encourage others to find their voice through fiber."

www.robbielow.com

Free Expression Buffet with Robbi Eklow

Friday 12 March 9:00-4:00pm \$25

Learn Robbi's innovative techniques to create sophisticated art quilts as described in her book *Free Expressions*. In this fun and relaxing class, each student will create an 18x24" fused quilt top, using their choice of a pattern from Robbi's current selection. Robbi will bring at least a dozen different patterns to class for students to choose. Patterns range from simple to complicated allowing everyone to decide their own challenge level for the day. The patterns are designed for use in class and only available in class. There will

Valentine's Day deserves a quilt love story. The story of the Salt Lake City 14th Ward Album Quilt may be the one. At least 63 women completed an intricately pieced, appliquéd and embroidered album quilt in 1857. It was raffled for funds to feed and warm the many immigrants settling in the Salt Lake Valley. A 12 year old boy won the quilt. When he married he presented the quilt to his wife. Unfortunately, the wife died, leaving him to raise their daughters. His love was so great that he wanted each of his daughters to have something that had been cherished by their mother. What could he do with only one quilt? He chose to cut the quilt in half, giving one piece to each daughter. Fast forward 130+ years. In 1996 a woman inherits half-a-quilt from her husband's family. Upon hearing the family legend of this quilt, she begins a genealogical search to uncover more of the story. A previously unknown relative had the other half-a-quilt, and at last the exquisite quilt, and the families, were reunited. Now that's a love story!

Shadows: *Eleanor Green, long-time guild member and former Board member, died December 24th in Houston. A memorial is planned in San Antonio later this month.

*Dorothy Reischman's sister, Grace, died January 4th after a long battle with cancer.

*Linda Ethridge had to have emergency eye surgery January 7th in Houston.

Thank you for keeping these families in your thoughts and prayers.

Peace, contentment, hope.
