President's Notes

Many hands made the work easier at the April Guild meeting. We have approximately 75 members and three guests working, talking and getting to know fellow Guild members at our 2nd annual Guild Work Day.

Carol Rouse and Dawn Paoletti, QPC, had over a dozen projects ready, from sewing strips together to completing tops. Cindy Shutt and Ida Blankenship sewed donated blocks from the 2008 Shop Hop into a beautiful queen size quilt. I'll be looking for the quilt in the Auction, I can just see those bluebonnet blocks on my bed.

It took two vans to get all the Bright Hope supplies from the storage unit to the church. Sharon Ross and Mike Mitchell organized over a dozen bins of fabric, huge rolls of batting, and a bin of pearl cotton. At the end of the day they still had some bins of fabric but all the batting was in the kits and Mike was dragging huge black plastic bags of prepared kits to the vans.

Ellen Hernandez, Auction Co-Chair, was doing a happy dance during Bring and Bragg. Over half the quilts/tops shown were given to Ellen for the Auction. Huge thanks to all who donated.

The May meeting, Membership Appreciation and the Guild's 30th Anniversary, will be a stroll down memory lane. We have invited the four surviving Founders and will bring all the photo albums and scrapbooks from the storage unit. In addition we will have the 10th and 25th Anniversary Quilts on display.

Again a huge thanks to all Guild members for making the April Work Day a huge success, the 3rd annual is already on the calendar for 2011.

Beginning Quilt Class

One of the services requested by the guild's bi-annual survey was access to classes for beginning quilters.

Thanks to the generous time and support of Donnis Todd, Dorothy Reischman, Sherry Durringer, and Barbara Sumlin a Beginning Quilters Class was given on the April Workday. Seven beginning quilters had the opportunity to learn:

- * to cut fabrics with rulers and rotary cutters
- * obtain a 1/4" seam with the various machines
- * piece a nine patch quilt top
- * the difference between ironing and pressing

And, finally, to put the whole quilt together using the envelope method. The participants finished the tops on the workday and were in varying stages of making the envelope at the end of the day. They took their work home with one additional kit to make for Bright Hopes. Our new quilter's are well on the way with their first top finished. What fun for all!

Sherry Allred Grant Winner

Congratulations to Sandi Price, winner of the 2010 Sherry Allred Summer Retreat Grant. In Sandi's application she wrote "We own our own business and like a lot of small business we

took a pretty big hit in our earning since 2009. Consequently I've had to be very selective in retreats, Houston, or any other activity that I've wanted to go

on. I've never been to Summer Retreat and my friend and I thought it would be fun to go for the week. Going to the coast this year is not going to happen. We usually went for four days to quilt, but it became out of reach this year."

Congratulations and have fun quilting.

Don't be bored..... get on the board!!!

Our GSAQG board that is. Have you ever said, "Why don't they....? Now is your chance to be a "they"! Each year the sentences (excuse me, terms) or half of our board members expire. This year those vacancies are for President, 2nd VP for Newsletter, 4th VP for Services, 5th VP for Community Outreach and Secretary. The responsibilities of each are listed in your directory. Decide which job best fits your interests and abilities and contact me.....before I contact you! Email to jlarry@satx.rr.com.....just say:

"I am willing to _____ (fill in this blank)!"

Bright Hopes

WOW! I have to admit that I don't have an exact count of just how many kits we made at the April 10th workday, Mike and I took them to the storage that afternoon and realized we were just too tired to do any more so we didn't unpack everything to count. My best guess is 130, which is astounding! What a wonderful bunch of Bright Hope-ers we have! Thank you all for your hard work - we have enough kits to last until the next kit party, which I believe will be in October. And I have no problems repeating myself - WOW what a team - WOW! Sharon

Quilt Project Committee News

Wow! A big “thanks” to all who were able to work on our various projects. It is amazing what can be accomplished in 3 or 4 hours by a group. Here’s a recap of what was done:

- Backings for 3 quilts were pieced — these are now ready for the Auction Committee.
- Blocks and borders were sewn for 7 tops — some were taken home to finish; some will be ready as kits to finish assembling; enough was done on the Flying Geese to at least give us an idea of how it is going to look.
- Free motion quilting on the Bow Tie, animal applique preparation, some block adjustment, preparation of more vines and Dresden Plate wedges for our Guatemalan Wildflowers quilt using ties, and applique work on the quilt were also accomplished.
- Cutting was started for 3 new kits — check our table in the next couple of months for these.
- Put up Tropical kaleidoscope blocks on the design wall — have a plan for sending these out in rows to put together.
- One quilt was basted for hand quilting.

Hope you enjoyed the day — it was great to see so much getting done on these. We’ll have some of them at the May meeting to show.

Thanks again.

Carol and Dawn

HOLIDAY EXTRAVAGANZE

GSAQG STYLE SHOW 2010 — JULY 10

Not only is it Christmas in July, but it will be Easter, St Pats Day, Halloween and all the other Holidays as well. The committee has been busy collecting all sorts of props, etc. to make this a real show. If you have props to contribute, let us know. Mainly we would like your garments. It doesn’t matter if they are many years old. They will be new to the rest of us.

We also need items for the boutique. This will be limited to items that can be worn — belts, jewelry, hats, purses to just name a few things. As in the past, these items will be taxable and the guild will get 20% of the sale price.

News from the book library...

The physical book inventory is done !! Mary Ruth and I have spent many a day over the last few months going through the book library, getting the Excel inventory into a Collectorz database, purging duplicates or non-quilt related books, applying new labels in the remaining books, and just simply bringing it all up to speed !!!

Basic housekeeping chores are left. I am now going through the database flagging those books that did not turn up during the inventory, or “Missing”. The beauty of this data base is that I can flag those books as such and be on the lookout for them as time goes on. I can also flag the purged books and others that needed particular handling and always have those notes on the database.

I will publish a list of the missing books when it is complete. I ask that all members review the list and, just maybe, you have a copy of a book that is missing! While we have been conducting the inventory and getting a handle on the new program, we have been waiving late fees. Starting in July, a late fee of \$1 per month will be collected for every month a book is not turned in on time.

We have gathered four boxes of duplicate and purged books. The board is in support of offering these books to the members via a book sale. Instead of waiting until the yard sale in the fall, or at the boutique at the next show, they will be offered at the May meeting in the first small classroom to the right of the main meeting space. From setup until the beginning of the business meeting, ANY book will be \$5. We will stop selling when the business meeting starts. At the beginning of Bring and Brag, the price will drop to \$3 for ANY book. At the start of the program, the price will drop to \$1. Please bring exact change !!!

Pieces of the Past: Thimbles

Ellen Hernandez

Finger guards, or thimbles, have been made of stone, bronze, wood, leather, horn, bone, tortoiseshell, ivory, mother-of-pearl, glass, metals and porcelain. The earliest known thimble was Roman and found at Pompeii. Made of bronze, it has been dated to the first century AD.

Medieval thimbles were often made of leather, but few survived. Thimbles elaborately carved from ivory, stone, bone, mother-of-pearl and wood were popular in the Far East. In Europe, silver and gold were used from the 15th century. In 1695 the first thimble was made in England by Lofting, a Dutch metal worker. It was called the “thumb-bell” because it was worn on the thumb and shaped like a bell. The name eventually became thimble.

Russian thimbles were not originally for sewing, but were used in combat as weapons for grappling, or to shield an archer’s thumb from chafing on the bowstring.

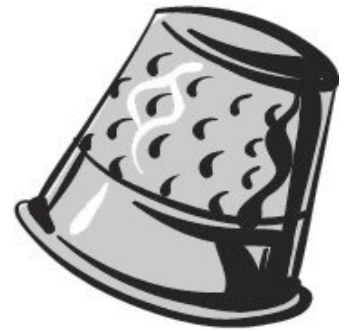

In the Victorian age thimbles were given as a love token. Silver and gold thimbles were the most popular, but the metals were becoming scarce. When the couple married, the bottom ‘band’ of the thimble could be cut off and used as the wife’s wedding band.

“Dames thimbles” were used by schoolmistresses to beat a dent on the head of a naughty child - a practice known as thimble pie-making!

During World War I, silver thimbles were collected from “those who had nothing to give” by the British government and melted down to buy hospital equipment.

People who collect thimbles are known as digitabulists.

Odd but true: The most unusual use of a thimble was recorded by Lattimer Clark in 1866. He improvised a battery using a silver thimble with acid and zinc to complete the first successful cross-Atlantic cable connection.

July 2010 Block Party

Block party in July is an easy sew. It is a perfect paper piecing block. I will have paper patterns at the April, May and June guild meetings. It's 4"x8" finished and can be made up to look like a 12 inch quilt block and then they can be made into a quilt, both pictured below. Look on our web site for a link to a pdf file of the foundation pattern. Center square will be 4" x 4".

Bring as many as you like with your name attached to each one to the July Guild meeting. All names go in the basket and the lucky winner in the drawing gets all of the blocks.
