March Program *Maggie Ball*

Remember to

- Library books, & DVD's
- QPC projects
- Bright Hopes quilts
- Smiles for your friends

The meeting in February was a lollapalooza, wasn't it? So much information to share, so many activities to sign up for - it was mindblowing! During the expanded break, I met a few members I had not talked with before and I hope you did too. It wouldn't hurt to try to meet someone new every month. It certainly would help the camaraderie to grow. Who knows, your next bosom buddy might be just a smile away.

The garage sale enriched the Guild coffers by \$812.50. Best of all, it purged the extra storage unit which was costing us \$243 each month. It was no mean feat getting all that stuff cleaned out and packaged for sale. Whew! Commendable accomplishment by Janet Miller, DeaJae Shore, Janice Frankenberger, Marilyn Bellows and everyone else who pitched in. And some of our members succeeded in relocating their extra items as well. Gone to good homes, I'm sure.

The biggest bugaboo I have is the lack of an Auction chair. If you have been a member for some years you will know how important the Auction is to the Guild finances. And if you are aware of this, then please consider serving as chair. Time is getting short to secure a venue. And under the red dye, my hair is graying more and more.

Be sure to check out the programs being offered throughout the year. Some great opportunities await. The prices can't be beat, either. Heck, in May, you even get fed for free! Well, you do have to stick around a while first to help.

September will be here before you know it and with it comes the Show. Work on getting those quilts in well before the deadline. Thanks to Carol Bryant's supreme efforts there will be a fair bit of cash prizes available. All the information you need to know about the Show is to be found on the guild website, www.sanantonioquilt.org.

A Box of Wonders will appear at the meetings throughout the remainder of this year. It's a place to put all those "I wonder why ..."/ "I wonder how ..."/ "I wonder who ..." questions you might have. The board shall endeavor to answer in a timely manner. Of course, the ones beginning something like "Tell me, O Mighty Wise Ones, ..." will probably be answered first.

Happy stitchin', y'all! - - - Mary

New members receive their guild pins.

3.17 Pieces of the Past, 83: Canadian Confederation Quilt by Ellen Hernandez

Dressmaker Fannie Parlee collected silk, taffeta, and velvet leftover fabric pieces from ball gowns she made in 1864 for the Charlottetown Conference on Prince Edward Island. The Conference was instrumental in the formation of Canada. With the fabric pieces, Fannie was able to make 16 large blocks and four small blocks for a crazy quilt. She stitched her name and 1864 on the quilt. The border was a wide gray ruffle. In 1970 the Parlee family donated the quilt to the Kings County Museum. Recently the quilt was restored, a process that took four years. It is now secure and will be displayed at the Kings County Museum in Hampton during the summer of 2017, in time for Canada's 150th birthday.

Another quilt is gaining interest for the Canadian birthday celebration. It is the *150 Canadian Women Quilt*, much like the Dear Jane quilt. Every week for 50 weeks three Canadian pioneering women will be featured, along with instructions for a six inch quilt block to commemorate them. One of the women is Roberta Price, born 1881, who taught home economics. Her work instigated government funding for a rural support network for Alberta women. During WWI she joined the Canadian Army Medical Corps as a lieutenant and worked as a dietician in England. After the war she chaperoned British war brides to Canada and looked after their needs in transition. She legislated for the Edmonton teacher training school. She also helped establish a veteran's organization. See www.nextstepquilt designs.com for information about these Canadian women and the quilt project.

Mary McCarthy, President, called the meeting to order at 2:32 pm. In attendance were Elaine Staller, Ina Ramirez, Janet Miller, Letty Zavala, Patricia Alva, Cindy Shutt, Sylvia Jolet, and Lyn Komada. A motion was made to approve the January board minutes as amended; the motion was seconded, and the motion carried.

A motion was made to give a calico rose to ***** at the March meeting for her work on *****; the motion was seconded, and the motion carried.

Discussed member survey. We want to ensure that everyone who volunteered is being contacted. Discussed ways to introduce new members to the guild and quilting. Pairing experienced members as mentors to new members, and a beginner's quilting class will be implemented. Depending on interest, a beginner's bee could be started.

At general meetings when we don't have a national teacher, we will have a longer break period and encourage members to spend time talking to someone they don't know.

Board members were asked to check their tax exempt forms to make sure they have the current guild phone number.

Discussed the Youth Alternative Committee. Four members indicated interest in volunteering, but this committee may be inactive. Mary will check with the committee chair to see if committee is still active and report back to board.

1st VP for Special Events - Elaine Staller

Quilt Show update (Carol Bryant): Allbrands will be our Silver Sponsor with a \$300 award for "Best Quilting". Valley Ranch Retreat House will be our other Bronze sponsor with an award of \$250 for "Best Use of Color". The four major sponsorships have been sold. The committee now needs to get the remainder of the smaller sponsorships (\$50 or multiples thereof) so that Blue Ribbon winners in each category will get a \$50 cash award. There were 26 hours volunteered on the quilt show this month. At the upcoming guild meeting, Holly Nelson will sell challenge fabric and the committee will need a table.

Winter Retreat (Linda Kirk). The retreat went well. Karel Donley will chair the next winter retreat. Linda has the contract to be signed.

Mini-Retreat (Janet Miller and Dea Jae Shore). Signup is full, with a waiting list.

2nd VP for Information - Ina Ramirez. She brought laminated cards with guidelines for greeters to show the board. Stitching Post news section discussed. Leave if not taking a lot of room. Ina would like to get clearer images for some of the ads and will contact Nancy Beasley.

3rd VP for Programs - Janet Miller. Upcoming activities were discussed for March thru June.

4th VP for Services - Letty Zavala. Will order a sample of a tabletop sign to see if it would be a good replacement for our existing signage. Requested that we start stacking chairs 8 high at the breakdown after the monthly membership meeting for more efficient removal and storage.

5th VP for Community Outreach - Pat Alva. Pat will check to see if we have enough volunteers for finishing quilts and for the Mini Maker's Fair.

Secretary - Carolyn Komada. There was a call about advertising at the quilt show.

Treasurer - Cindy Shutt. Total cash and savings on hand \$68,909.20 as of Jan 31, 2017. December books have been reviewed and approved. Will be doing a short financial presentation on guild cash flow and money at an upcoming membership meeting.

The meeting was adjourned at 3:34 pm.
Respectfully submitted by Carolyn Komada,
Secretary

Guild Block Exchange

Join us for a four patch of Christmas fabric exchange. We will make 2-1/2 squares of light and dark Christmas fabrics, sew them together into a four patch. You will end up with a 4 - 1/2 inch square.

Put them in a ziplock bag with your name, phone number, and number of squares.

Bring them to the next meeting and give them to Shirley Carter. She will sort them out and return the same number of squares, at the next meeting.

Questions? Please call Shirley Carter at 210-452-3801, or email Shirley.carter9243@gmail.com.

NEW MEMBER MENTORS

Joining a new group takes a lot of courage. A mentor can make one feel part of the group. The assignment would be for 3-6 months. Sitting with the new member is the initial step, but you also would need to introduce new member to others, explore interests and just be a friend. If you attend most meetings and can do this, please contact Kitty Janiga, Sandra Lowell or Lani Nunley. Please email Kitty at kittyandernie@earthlink.net or call her at 210-710-1909

All guild members may advertise in the newsletter one free business card size each year. Must be quilt related.

Take a Learning Moment in a Maker's World

There are few activities so completely satisfying as making something. When it works we progress from beginning through the middle to the end, and we feel the sense of accomplishment that it engenders. Stand back and admire: it glows. In life, too often our ordinary activities possess a beginning, a middle yet only a few culminate in a completion. But the very act of making something satisfies deeply because it nourishes our inner, creative force. It engages us fully, sharpens our skills, enlarges our understanding, and in many cases helps forge the interdependent relationships of our quilting community.

Today there are more opportunities than ever for quilters (modern and traditional), quilt artist, fiber artist, and all types of fiber enthusiasts. Traditionalist can quilt with no more than a needle and thread, Modernist can design on computer CAD programs, and quilt artists have a variety of embellishments, patterns and sewing machines that can stitch hundreds of designs. The lines between all can blur.

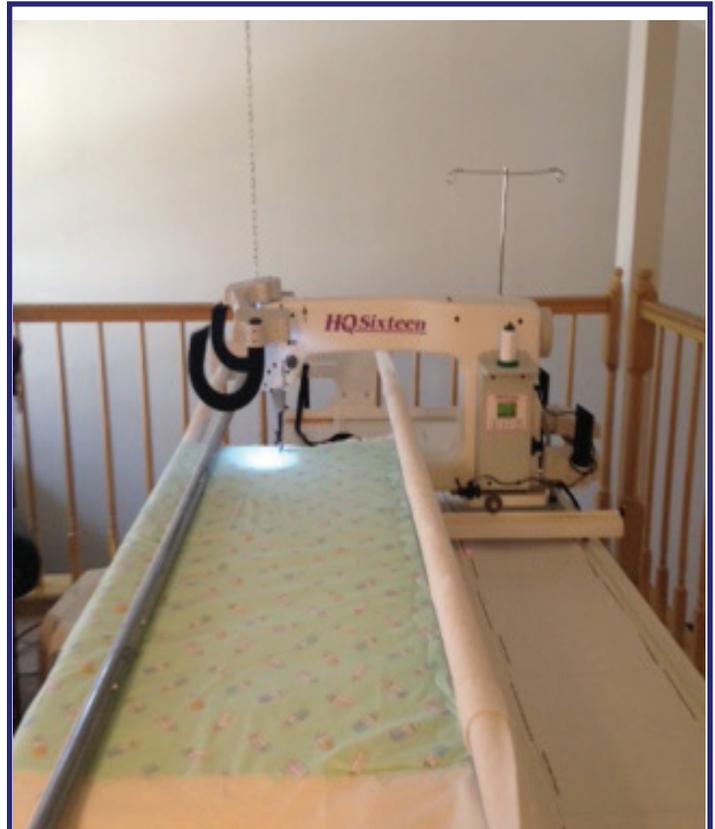

Even though it feels good to make something out of a pile of fabric scraps, DIY is not merely a feel good exercise. Learning moments multiply. At the very basic level every project builder eventually acquires solid construction techniques. One only needs to forget to close the rotary cutter once to get a sharp reminder. Matching seams becomes a more critical issue when the tips of triangles disappear. A most challenging area for most quilters is color: an ongoing area of development!

Of course the real learning occurs when the project fails to work on the first try. Or the second. Or the third. Failure is a double challenge when working on your own, yet unproven original designs because you do not know whether the fault lies in design or execution - or both. Among all the quilters, fiber artists, makers and designers, I admire most the ones that work on and modify a single project over and over. They are constantly refining, cutting, and trying, seeking at every turn a continuous process of improvement. From these visions and revisions emerge our talented quilt artist, teachers and leaders.

For my part, troubleshooting a problem provides the best learning moments of DIY. Individuals who know me will probably tell you that this love of trouble shooting comes from my own vast experience with failure and mistakes. Learning from mistakes and solving problems,

especially trouble shooting complications develops and refines one of life's most valuable skills - problem solving. I often research my problems in books for an answer. Our vast library has books with ideas for projects and creative information to help us grow as quilters and artists. Making something has always been fun and therapeutic. Now we can learn something new, too!

Take Care,
Janet N Craig, Librarian - GSAQG
